

A decorative logo consisting of three overlapping, light green, swirling lines that form a stylized, abstract shape resembling a flower or a calligraphic flourish.

# Decorating Philosophy

Decorating doesn't need to be expensive.  
When redoing your decor, many items can be reused.

Your home should be inviting and reflect your  
personality & lifestyle.

Decorating should be enjoyable & interesting,  
not a chore.

Make the ordinary look extraordinary.

"Turn your house into a home!"

- Susan Campbell,  
owner of Emerald Interiors
